

Pepper Sea Club Hotel Earns Prestigious Blue Flag Certification for the 1st Time

Pepper Sea Club Hotel, is proud to announce that it has been awarded the reputable Blue Flag for the **1st time**. This certification is a globally recognized eco-label awarded to beaches, marinas and tourism operators that meet strict environmental, educational and safety criteria.

The Blue Flag Award granted by the foundation for **Environmental Education (FEE)**, signifies that a location has maintained excellent water quality, implemented robust safety measures and engaged in active environmental management and education. This certification highlights Pepper Sea Club Hotel as a premier destination for travelers seeking a luxurious yet eco- friendly vacation.

Pepper Sea Club Hotel's Blue Flag award is a proud achievement that underscores the hotel's dedication to preserving Crete's stunning coastline while providing an exceptional guest experience. It serves as an invitation to travelers who value both comfort and environmental integrity, making it a standout choice for a responsible and memorable holiday.
